Why Holistic Dental Offices Love Ora-Shield®

- 100% organic essential-oil blend
- Gentle, non-irritating alternative
- Effective formula for gum disease home care
- Supports patient demand for natural options

What Makes Ora-Shield® Different

- **100% Organic Essential Oils**
 - Carefully selected botanicals that help calm gum irritation, freshen breath, and support a healthy oral environment.
- **Gentle, Effective Formula**
 - Unlike many clove-based or alcohol-based options, Ora-Shield is smooth, pleasant-tasting, and easy for patients to use daily.
- **Microbiome-Friendly**
 - Helps maintain a balanced oral ecology without the disruptive effects of strong antiseptic rinses.
- **Simple Daily Use**
 - Patients apply a few drops with a soft toothbrush or fingertip — ideal for sensitive gums or early signs of gingival inflammation.

Perfect for Patient Care Packets

Dentists use Ora-Shield® in:

- New-patient welcome packets
- Post-cleaning care kits
- Periodontal maintenance programs

Wholesale Partnership Benefits

- Simple wholesale pricing with low minimums
- Free sample bottles for your team and select patients
- Fast fulfillment and ongoing practitioner support

Our goal is to make it easy for your office to introduce Ora-Shield® without changing your workflow.
